My 90-Day Challenge

Turning better thinking into measurable action, ownership and impact

Goal start date: _____	**First review date:**	**Goal completion date:**

Use this page to define the challenge clearly. Defined goals, measurable evidence and practical first actions make progress easier to create over the next 90-days.

My 90-Day Goal

By*(date)*_____ I will *(specifically)* _____ as measured by

(evidenced)_____

What specifically will be different? _____

How will I know progress has been made? _____

What evidence will show this has made a difference? _____

Why does this matter to me, my team or the organisation? _____

My starting point: *Where am I now? What is working? What is getting in the way? What needs to change in my thinking, behaviour or conversations?*

Self-belief check

Current confidence: ____ /**10**

Who or what would strengthen my confidence?

My priority actions

Priority action	Why this matters	Who needs to be involved?	First step	By when?	Evidence
1.					
2.					
3.					
4.					
5.					

I take personal responsibility for achieving this challenge: _____
